Head Teacher Update:

The children in Year 2 have had a really busy week as they enjoyed developing their cycling skills earlier in the week as well as their geography walk around Ely to apply their map skills.

The other classes have all been busy learning too and I have been particularly impressed with their phonics where all of the children have made excellent progress. The impact of the children reading more at home is really evident so please continue to do this.

We are looking forward to the school disco after half term- don't forget to purchase your tickets via the school gateway app.

Please remember the school is closed to children tomorrow (Friday 20th October) as it is a teacher training day.

I hope you have a lovely half term break.

Kind regards,

Mrs Laura Fielding
