

Weekly Newsletter

8th March 2024

It has been a busy week at Spring Meadow. Thank you to everyone who made our visitors so welcome and we look forward to sharing the feedback with you once it is published.

There has been lots of brilliant learning this week with a Beanstalk growing in Nursery, caterpillars arriving in Reception, plants growing in Clovers, Van Gogh style paintings being created in Year One and cookies being baked in Year Two.

To end the week, the children have loved being in their pyjamas and costumes today and participating in World Book Day activities.

Thank you once again for your continued support to the staff and children at Spring Meadow. Have a lovely weekend.
