

## Weekly Newsletter

**28<sup>th</sup> March 2024**

I would like to thank you for all of your support this half term. The children have worked incredibly hard and I am so proud of the progress they have made. I would also like to thank the staff that work tirelessly to provide the best opportunities, education and support for your children.

It was an absolute delight watching the children who attended iRock this term perform in their end of term concert. This term, to launch iRock the school has funded many of the places but unfortunately the school cannot financially afford for this to continue and we are starting to vary which children school are funding. If you would like your child to definitely continue with this next term you need to book and pay for their place on the iRock website. <https://www.irockschool.com/>

### 2 Year Olds in Nursery

In September 2024 our Nursery school will be taking admissions for Two year olds. There is funding available if you would like your child to attend or you are able to pay for spaces privately. For more information regarding funding, please see the following link [Funded hours for eligible 2 year olds - Cambridgeshire County Council](#) If you are interested, please speak to Miss Collen in the office who will be able to add your child to the waiting list.

### Spare Clothing

We are requesting any donations of clean underwear, socks for when children have toilet accidents. If your child is known to have accidents, please provide your child with a change of clothes. If your child is sent home with a change from school, please can you ensure these are washed and returned.

### MIS system

Earlier today I sent out information regarding our change from SIMs to Arbor. Please be patient with us during this change. In the long run this will be a more efficient system and should make everything more streamlined for the school.

### Photos

Year 2 have been busy creating Andy Goldsworthy inspired art.

### Dates for next term

Please find attached the dates for the summer term for your information. Summer term is always really busy with sports day, transition etc, so please keep a close eye on what is happening around school.
