

Head Teacher Update:

It has been a lovely week at Spring Meadow with everyone working really hard. I would particularly like to mention Dandelion class who have been making excellent progress!

Parent view:

During the parents evening we asked you to complete the parent view survey. These will be continued for those parents' evenings which are being rearranged. I would like to thank those who have completed the survey so far as it provides with really useful information on how we can continue to improve. As always if you have any concerns we do encourage you to come and share them with us as soon as they arise so we can work together to find a solution where possible.

After school club/ Active play:

One of the points raised so far in the parent view was regarding the after school club provisions. I would like to signpost you in the direction of the Active Play website where they offered a football club and cooking club. There will be more clubs on offer in the spring term and information about these will be released before the end of term. Active Play (Sunflowers) will be hosting a parent dropping in session on 4th December if you would like to find out more information. <https://www.activeplayeducation.co.uk/>

Packed lunches:

When providing your child with a packed lunch please ensure you have read the packed lunch policy. We would expect your child to be provided with a healthy, balanced packed lunch. The policy is attached.

Childcare:

I would like to raise your awareness the changes to Government funding for child care. The link below will allow you to calculate when your child and how many hours your child could be entitled to and when. This is particularly useful for younger siblings.

Have a lovely weekend!

Kind regards,

Mrs Laura Fielding
