

Weekly Newsletter

24th May 2024

Wow that half term has just flown by! I cannot believe we will be entering the final half term of the academic year. The next half term is extremely busy so please do keep an eye out for all of the dates coming up. Have a lovely half term and let's hope the weather improves!

Staff updates

It is with sadness that I am letting you know that Mrs Jones will be leaving us at the end of this academic year. She has decided after 25 years of teaching at Spring Meadow it is time for a change and she will be going to teach in a nursery in Cambridge. I would like to thank her for all of her hard work and dedication to so many children over the last 25 years and wish her all the best.

Changes to the newsletter

It has been apparent from speaking to many parents that the newsletters are not read and digested by over 50% of our parents. This is a key form of communication to keep you updated about what is happening in school. Therefore, we have made the decision to change to monthly newsletters which will provide you with all of the information over the following month and these will be printed and given to the children as a hard copy to ensure more parents have this vital information.

School communication

After half term we will be fully moving over to Arbor. We will no longer be using School comms to communicate with parents. Currently 60% of parents have signed up to Arbor, which is really disappointing. If you have not received an email please check your spam and junk as this is how parents will receive all communication about their child, what is happening in school and any other information you may need to know. Thank you for your co-operation.
