

Weekly Newsletter

3rd May 2024

It has been another lovely week at Spring Meadow. The weather has improved and the children have enjoyed running around in the sun. The new school menu has also gone down very well with children trying some new meals, the tacos last week were a particular hit!

I am pleased to let you know Mrs Fowler gave birth to a beautiful boy called Sonny in the week and we cannot wait to meet him!

I hope you all have a lovely bank holiday weekend.

Uniform

I have attached the school uniform policy for a reminder. There should be no jewellery other than stud earrings and no nail polish. As the weather improves please remember to provide your child with a hat and appropriate clothing as well as applying 24 hour sun cream before school. If your child is bringing sun cream into school please ensure it is clearly named.

Photo:

Reuben the school dog came to visit this week! Reuben has loved seeing the children and the children have enjoyed seeing him in the office.

Play equipment outside

Please can I remind you not to let your children play on the equipment before or after school. Thank you.

Toys in school

There have been more and more toys coming into school. There should be no toys in school as they may get lost or damaged and this is not the school's responsibility.

Scooters/bikes

There are still some children who are scooting on school grounds. Please can I remind you that this should not be happening as it is not safe.

Continued...

Parking

There are still some parents who are parking in the school car park without prior agreement from the school. The car park is only for staff and parents of children who have additional needs. This includes at the end of the school day. I have also received some complaints regarding the speed cars are driving through the car park and entering the school gates. Please can I remind you to drive cautiously as there are many children around. There are some vehicles which need to come down to the front entrance due to access arrangements so please be extra vigilant with your children when walking from the school gates down to the school.

Spring Meadow/ St Mary's Summer Fete

Once again we are going to join forces with Ely St Mary's to hold a brilliant summer fete. This year we have decided it will take more of a 'Friday Fest' feel and will be on Friday 12th July 1530-1800. There will be a wide range of stalls, bbq, beer tent and disco.

In order to support this event we will be holding a non-uniform day on Friday 28th June for a voluntary contribution of a tombola prize. If you are a parent who would like to support this event as, I will be hosting a PTA meeting on Friday 17th May at 1430 to distribute stalls and discuss the organisation on our side. If you are unable to make this date but would be willing to help with the set up/ clear up/ have a stall please email the office to sign up.
