

Weekly Newsletter

26th April 2024

We are really pleased we were able to share our Ofsted report with you all. We are incredibly proud of our school and the journey we have been on.

Sports day

Due to a clash in dates with the transition move up day to Ely St Mary's we have had to move our school sports day to Tuesday 2nd July. I am sorry if this causes any inconvenience but this should provide you with enough notice to still attend.

School communication

Please remember we are moving across to Arbor for all communication and so please ensure you have downloaded the app and signed up. If you have not received an email inviting you then please contact the office as soon as possible.

Transition

We are already starting to think about transition at the end of the academic year. Please add to your diaries Wednesday 3rd July as move up day.

Attendance

Please can I remind you of the importance of attending school on time. Arriving late can have a huge detrimental impact on children both academically and socially and emotionally. Our doors open at 0845 and registers close at 8.55am. After this your child will be marked as late.
