

## Weekly Newsletter

**26<sup>th</sup> January 2024**

I apologise for the lateness of the newsletter. We were struck with staff sickness at the end of last week. The children have enjoyed their learning this week with Year Two learning about self-portraits and making different tones with paint. Year One have been making fruit kebabs in DT. Reception and Clover have been busy learning about space and the solar system and Nursery have been learning about palaeontologists

For more information about what your child is learning please visit their class page on the website.

### CAR PARK

Thank you for the parents who are following the guidance relating to the car park. We will continue to monitor. Please can I remind you once again that the car park is only for staff and parents of children who have additional needs with prior agreement from the school. Staff will continue to challenge anyone who parks without permission. This includes both drop off and pick up.

### WEBSITE AND CLASS UPDATES

Please do take the time to look at the school website where you can find more information about what your child is learning. Teachers up-date these each week and it is a really good way for you to keep informed.

### COMMUNICATION WITH STAFF

Please can I remind you that, in accordance with our communication policy (available on the website), all emails should be directed via the school office for the attention of teachers. Staff will endeavour to respond to any emails within 2 working days. Parents should not email teachers directly to their own accounts. Parents should also not contact any members of staff via social media. This is to safeguard our staff, their wellbeing and also support them in managing their work life balances. Thank you for your cooperation.

### NSPCC NUMBER DAY 2024

Just another reminder on **Friday, 2nd February 2024** it is NSPCC Number Day. Children are able to come to school in non-school uniform. Where possible, please could their clothing involve numbers. For example, a football shirt, hoodie with a year on it, t shirt with a year on it, baseball hat etc. Donations to the NSPCC will be available to make thorough the school gateway app.
